WELCOME

Cori Manor Nursing & Rehabilitation Center is committed to meeting the physical, emotional, social and spiritual needs of our residents. Here are some of the ways we do this.

Cori Manor Nursing & Rehabilitation Center offers our residents a safe, secure environment which includes a beautiful, spacious dining room and large outdoor area residents can enjoy the fresh air and sunshine.

DAILY SERVICES

A holistic approach to health care is provided by a team of licensed and certified professional care givers.

◆ Medical Services

-Medical Director ensures that our residents' physical needs are met with appropriate treatment and referrals, if necessary.

◆ Nursing Services

-Registered Nurses who oversee the delivery of individualized plans of care - twenty four hours a day - seven days a week.

◆ Social Services

-Provide ongoing support and education to residents and their families. In addition, discharge planning is available to ensure a smooth transition home.

◆ Dietary Services

-Dietary needs and preferences are provided.
-Overseen by a Registered Dietitian.

◆ Activity Services

-The outcome is to meet each individual's needs, under the direction of our Activity Director.

DAILY SERVICES (continued)

◆ Respite & Hospice Services

-Hospice rooms are available with the choice of providers.
-Respite care for the at-home caregiver who needs temporary supervision for their loved ones. Dedicated professional staff are at the caregiver's assurance that their family member will be secure during their absence

◆ Medicare Unit

-Staffed by IV Certified Licensed Nurses.
-Highly skilled wound care program.
-Full service therapy gym conventionally located on the first floor.

◆ Wound Care Program

-Highly trained Licensed Nurses.
-Accustomed to dealing with even the most challenging wounds.

Cori Manor Nursing & Rehabilitation Center includes extensive rehabilitation facilities for physical, speech, occupational therapy. Individual treatment programs are developed for each patient through evaluation assessment and treatment by licensed, experienced therapists.
